Instructions for Registering Your Athlete (Formally, Athletic Participation Authorization)

SportsNet Inc. provides secure online registration services for high school athletic programs. Below are instructions for creating a parent/guardian user account and registering one or more athletes at Sobrato High School.

Creating an Account

1. Go to <https://sportsnethost.com/sobratohs-parent>
2. Click the **Create an Account** link near the bottom of the screen
3. Enter the required information and submit the form
4. Log in to the system with your email address and password
5. Follow the instructions inside the system

Before You Begin

Make sure you have the following prior to attempting to register your child:

- Your child's student identification number
- The exact spelling of your child's first and last name as it appears in official school records
- A scanned copy of your child's completed Pre-Participation Physical Exam on your computer (to be uploaded during registration); **form attached below**
- Your child's active health insurance coverage information, including the name of the provider and the policy ID

Registration Process

Be sure to carefully read the instructions on each screen and provide all required information. If you are unable to finish in a single session, the information you have already submitted will be saved and you can log back in at a later time to finish.

Important: The school will not receive your submission until you complete the entire process, ending with your final electronic signature on the last available screen. Be sure to **check your email for a confirmation message** after you have finished.

Support

- Please contact your child's school directly if you need specific information about your child's registration.
- For general assistance, please email our support team at support@sportsnetinc.com. Our first available representative will get back to you shortly.

Recommendations _____

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).
